

**NOTICE OF APPLICATION
FOR
MINOR AIR QUALITY OPERATING PERMIT**

The South Dakota Department of Environment and Natural Resources (DENR) received and reviewed the application for a minor air quality operating permit for the following applicant:

APPLICANT NAME: **Manitou Americas, Inc.**

FACILITY LOCATION: **Yankton, South Dakota**

The minor air quality operating permit will allow the operation of the following processes and units:

- Unit #1** Paint Booth #1 – 2006 Spray Equipment & Service Center, model number DDI-24-PDT-S, with air-atomized electrostatic paint guns.
- Unit #2** Primer Booth #1 – 2006 Spray Equipment & Service Center, model number DDI-24-PDT-S, with air-atomized electrostatic paint guns. A 2006 Global Finishing baghouse is used to control particulate emissions from both the paint booth and the primer booth.
- Unit #3** Touch-Up Booth #1 – Paint application booth with air-atomized electrostatic paint guns. Fabric filters are used to control particulate emissions.
- Unit #4** Process Heater – Natural gas heater for Paint Booth #1, with a maximum heat input capacity of 6.65 million Btus per hour.
- Unit #5** Process Heater – Natural gas furnace for Primer Booth #1, with a maximum heat input capacity of 6.65 million Btus per hour.

A review of this facility indicates Manitou Americas, Inc. can operate the equipment manufacturing facility in compliance with South Dakota's Air Pollution Control rules and the federal Clean Air Act. DENR, therefore, recommends the Board of Minerals and Environment issue a minor air quality operating permit to Manitou Americas, Inc. with conditions to ensure compliance with South Dakota Codified Laws (SDCL) 34A-1 and the federal Clean Air Act.

In accordance with the Administrative Rules of South Dakota (ARSD) 74:36:04:12, any person desiring to comment on DENR's draft permit conditions must submit written comments to the address below by close of business on the thirtieth day of this public notice. Comments may be directed to the following mailing address: Marlys Heidt; PMB 2020; Department of Environment and Natural Resources; 523 East Capitol; Pierre, South Dakota 57501. DENR will consider and address all comments submitted and issue a final permit decision pursuant to ARSD 74:36:04:12.01. DENR will notify the applicant and each person that requested notice or

submitted written comments of DENR's final permit decision, including notification of any changes to the permit based on the comments.

Any person desiring to contest the issuance of this permit and have a contested case hearing must file a petition, which complies with ARSD 74:09:01:01. This petition must be filed either by close of business on the thirtieth day of this public notice or, if that person submits comments on DENR's draft permit pursuant to the paragraph above, within thirty days of receiving notice of DENR's final permit decision. Upon receipt of a petition, DENR will schedule this matter for a contested case hearing before the Board of Minerals and Environment.

If no comments or objections are received by close of business on the thirtieth day of this public notice, the draft permit becomes the final permit decision and the proposed permit will be issued.

Copies of DENR's draft permit conditions and other information may be obtained from Marlys Heidt, Engineer III, at the above address or telephone at (605) 773-3151 or from DENR's website at:
